

Via USPS Priority MAIL TO:

August 15th, 2019

William F. Stephens Director of the Division of Energy

Tyler Building, 4th Floor
1300 E. Main Street
Richmond, VA 23219

This letter is to inform you and your office of our plans to develop and construct a solar facility in Lancaster, VA. The site name is **Rappahannock Solar 2, LLC** and will be located at the intersection of Rappahannock Dr. and Ocran Rd, White Stone, VA 22578. It will be adjacent to our other facility, Rappahannock Solar, LLC. This system size will be 1.5MW AC and the project will be construction on the land of Heirs of B.H.B Hubbard Jr., LLC. The fuel source for this project will be sunlight. The facility will comply with all other requirements of the federal, state, and local law.

Please direct any questions or inquires to Allyson Hoffman.

Sincerely,

A handwritten signature in black ink, appearing to read "Allyson Hoffman", with a long horizontal flourish extending to the right.
